

MEMOREX

# Memorex ribbons tie it all together.

## PRODUCT:

The quality appearance of type-written copy is tied to the quality of the typewriter ribbon being used. You want copy that represents your work in the finest image possible. Memorex's full line of typewriter ribbons assure you of that fine image with sharp, clean, dark print, image after image—along with some important extras.

## FEATURE:

- Written ribbon warranty . . . . . Satisfaction guaranteed
- Tightly wound onto cores . . . . . Prevents accidental waste
- Crosshatching at ribbon end . . . . . Warns typist to change ribbon
- Securely packaged . . . . . No wasted ribbons due to unwinding
- Rigid quality control . . . . . Performance dependability
- Designed for easy handling . . . . . Saves time and tempers
- Guaranteed shelf life . . . . . Reliability and economy
