# MEMOREX Audio Accessories

Memorex offers a complete line of quality Audio accessories. These products have been specially engineered and designed to meet your record and tape care needs.

MEMOREX

Audio  
Accessories

## Cassette Accessories

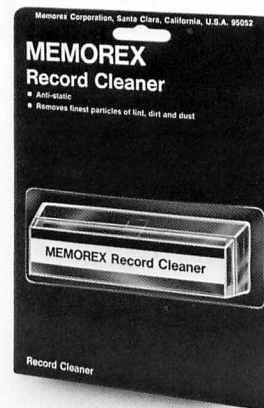

### Cassette Head Cleaner

A quality cassette loaded with an effective cleaning material to give quick and efficient head cleaning on all cassette recorders. Easy to use. Instantly removes dirt and oxide from tape heads.

### Cassette Cleaning Kit

Combines the Memorex non-abrasive cleaning tape cassette along with an effective head cleaning solution. This cleaning kit removes accumulations of oxide and dirt from heads and guides.

### Record Care Kit

Combines a high nap, rayon velvet covered record cleaner, a bottle of specially formulated record cleaning fluid, and a stylus cleaning brush, all packaged in a special humidification storage case. Safely removes dust and grime from delicate record grooves.

## Storage Accessories

### Empty 7-inch Reel Plastic Storage Albums

A combination of reel protection and ease of handling in an attractive reel case.

## Record Care Accessories

### Record Cleaner

A dense pile, high nap rayon velvet covered cylinder that stops static and removes dust and grime from record grooves. Packaged in a special case to prevent the pile from being matted, and to avoid contamination when not in use.

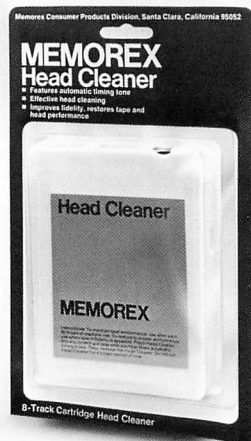

### Memorex Record Cleaning Fluid

A specially formulated record cleaning fluid for use with the Memorex Record Cleaner. Can also be used as a replacement cleaning fluid for the Memorex Record Care Kit. Comes with a spray pump for easy application to the Record Cleaner.

## 8-Track Accessories

### 8-Track Head Cleaner

Features an endless loop of cleaning material to quickly remove oxide and dirt particles from 8-track heads. Restores head performance, keeps 8-track tapes sounding like new.

### 8-Track Head/Capstan Cleaner

Provides total 8-track player maintenance. Combines a special non-abrasive belt of polyester fabric along with a specially formulated cleaning solution that removes oxide and other contaminants from player heads. Also includes a fiber pad for effective capstan cleaning.
