## 3480 Cartridge Tape Storage, Transport and Handling Accessories

All the accessories you need to maintain a well organized, 3480 cartridge tape data center are now available in one easy to use system from Memorex.

Begin with 20-Pack Cartridge Modules featuring the Memorex proprietary "Gravity-Grip" design for safe transportation and storage. Then, for quick access to up to 20 cartridges, bring a 20-Pack Module to the tape drive and use it with the Memorex Drive Stand.

Use more of the Modules with any of the four types of Memorex Storage Racks to neatly store from 240 to 1200 cartridges per rack.

Put 10 Modules in the Memorex Transportation Cart and move up to 200 cartridges easily throughout your data center in even the tightest spaces. Or, pack up to 26 cartridges in the foam cells of the Memorex Transport Case to safely carry cartridges outside your center.

Add Memorex 3480 Cleaning Cartridges to keep your drives at peak performance, and you'll have a fully integrated system of 3480 cartridge accessories that will save you space, time and money.
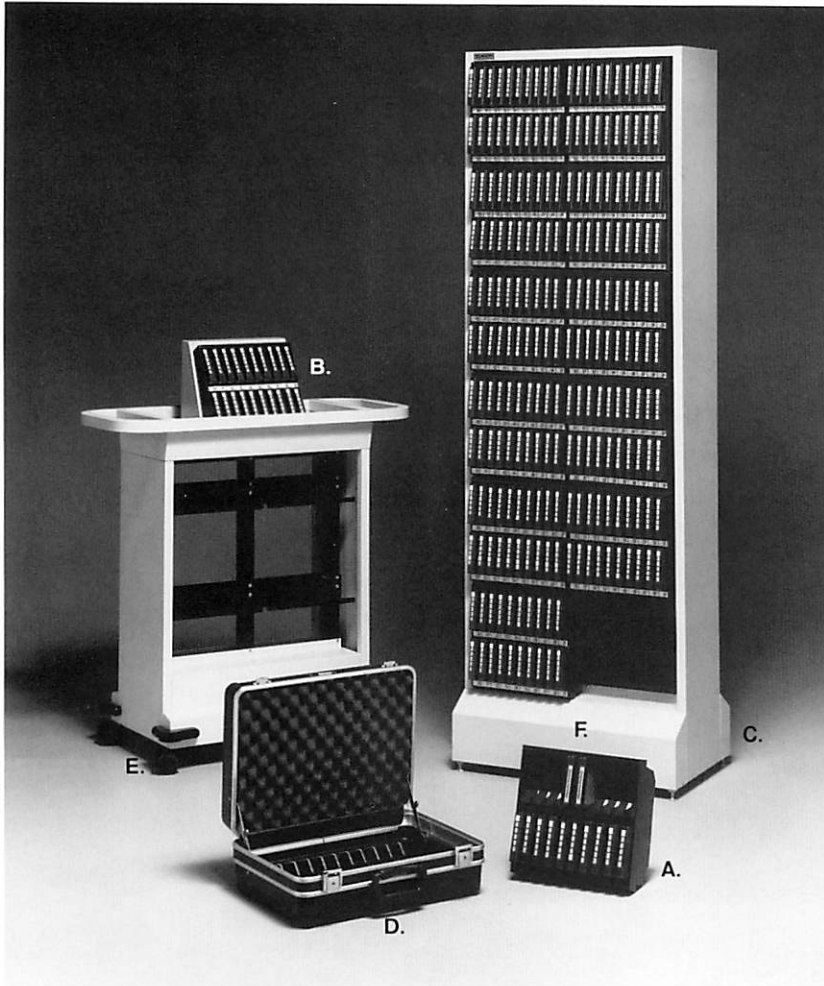

All from the company with the brand name known around the world for reliability and value... Memorex.

## Storage, Transport and Handling Accessories

**A. 20-Pack Cartridge Module**
Made of lightweight (28 oz.), high-impact polystyrene, each charcoal colored Module holds 20 cartridges, and fits easily into compartments of the Memorex Drive Stand, Storage Racks, and Transportation Cart.

**B. Drive Stand**
Made of 16 gauge steel, these pearl colored stands hold one Memorex 20-Pack Cartridge Module at a 22-degree angle for quick access to cartridges at the drive.

**C. Storage Racks**
Four pearl colored, single and double sided racks are available for storing 240, 480, 600 or 1200 cartridges. Each rack features "Gravity-Grip" design, and comes completely assembled.

**D. Transport Case**
These black with aluminum trim cases each carry up to 26 cartridges. Each cartridge is safely held in place in an injected foam cell, and the case can be locked.

**E. Transportation Cart**
Pearl colored to match the Memorex Storage Racks, each cart transports up to 200 cartridges. Smooth casters, built-in handle, and special slim design make it easy to maneuver in tight spaces.

**F. Cleaning Cartridge**
Prevents build-up of dust and debris on drive heads and tape guides to help keep your 3480-type tape drive operating at maximum efficiency. Quick and easy to use, each Memorex Cleaning Cartridge provides 500 cleanings.
