

Burroughs Melds 2 Office Divisions with Memorex Media Unit.

Computer Systems News

No. 179 Pg. 80

Sept. 17, 1984

Burroughs has welded together its two office products divisions and the media products division of its Memorex subsidiary.

The resulting Office and Media Products Group will market computer media, supplies, and forms. The three former divisions employ over 6,000 people worldwide and account for \$500 million in revenue.
