is one of the world's largest suppliers of computer equipment and services, with direct operations in **27 COUNTRIES** and independent distributors in many more. Over **7,000 EMPLOYEES** are dedicated to serving customers throughout the world.

Today the Company has three operational groups: Enterprise **NETWORKS**, Enterprise **STORAGE**, and **SERVICE AND SUPPORT**.

Complementing these groups is a comprehensive range of computer supplies ranging from floppy disks to tape cartridges.

The objective of Memorex Telex is to meet its customers' computing needs by providing **INTEGRATED SOLUTIONS**, quality products and support.
